Conveniently set to CBD transport, shops, parks and schools, comes this fantastic opportunity for those looking to buy a modest family home to add their own touch. Set on a generous parcel of land, it offers a superb back yard for the kids to play and boasts a flexible layout with plenty of potential for a renovation, extension or as a knock down re-build opportunity. The sky is the limit!

With a sunny north easterly aspect to rear, this light filled home combines all this and more with the convenience of being central to schools, shops, transport, and main arterial
